**All day, everyday church in
our community?**

Getting to grips with mission in 21st century Yorkshire

Facilitated by:

*Linda Rayner (URC Fresh Expressions Co-ordinator)
and Jamie Kissack (URC Minister in Team Sheffield)*

Yorkshire Elders are invited to set aside some space
for refreshment and renewal in the busyness of
church and home-life.

How can we listen for God's voice and join God's
mission when we *can't see the wood for the trees...*
worrying about furniture and flower rotas?

Can we be church for people who don't want to
know about church?

What do we mean by '24/7 church'?

*With lots of discussion, fresh ideas, time to learn,
time to pray, workshops, bookshop and videos of
real-life church examples.*
