

Yorkshire Synod - 8th Annual Elders' Conference

Saturday 30th March 2019 10:00am to 3:45pm

St Andrew's Roundhay, Shaftesbury Ave, Leeds, LS8 1DS

Keynote Speaker – Andrew Roberts

Andrew Roberts is a Methodist minister, author of the book entitled Holy Habits and currently working full time developing resources to assist the church in its exploration of the ten Holy Habits vision for a Spirit-filled life of discipleship and the call of Jesus to discipleship today.

Based on what we read in Acts Chapter 2 verses 42 to 47 the ten habits –

Biblical teaching	Fellowship
Breaking of bread	Prayer
Sharing resources	Serving
Eating together	Gladness and generosity
Worship	Making more disciples

are not a theoretical model or a set of boxes to be ticked. They are a 24/7 calling and a Kingdom calling to be worked out in all aspects of our lives, our relationships and our sense of self, our work and our leisure, our care of creation and our struggle for justice.

This year's conference will offer a mixture of input, private reflection and discussion as the context for reflecting on our own discipleship, understanding that word as the Greek word *mathetes*, 'one who learns as they follow'.

FREE soup & dessert lunch,
along with refreshments during the day.

To enable us to plan, please note that **booking is essential**. Either email as shown below, or return the slip.
