

CALLING ALL CHURCH LEADERS!

Now we are emerging carefully from lockdown and our thoughts turn to 'What's next?' Can I encourage you to book your places or reserve your place on the national conference of Leading You Church into Growth.

We are very excited to once again been able to secure places on this very popular and effective church growth conference. We are asking that at least two, or even better three could come from each sending church/group, to be able to get the most from this highly effective course.

The full cost is usually £225 for this residential course.
UNDER 30's Free - 100% discount.

This includes accommodation and food.

We are able to offer up to **50%** discount. This means that for those who would not be able to go at the full cost, you now can!
We only have limited places at this fantastic offer.

The earlier we book our places the more places we can secure. So please get back to me as soon as possible to secure your place.
