

LEADING YOUR CHURCH INTO GROWTH

THE 5 NORTHERLY SYNODS OF THE UNITED REFORMED CHURCH

CALLING ALL CHURCH LEADERS!

We are very excited to once again to offer places on this very popular and effective church growth conference. We are asking that at least two, or even better three could come from each sending church to be able to get the most from this highly effective course.

The full cost of this course is well over £400, but by the generosity of the national church and the 5 northerly synods we are able to offer the course for free other than travel and personal expenses.

This includes accommodation and food.

This is a first-come first-booked policy.

We only have limited places at this fantastic offer

The earlier we book our places the more places we can secure. So please get back to me as soon as possible to secure your place.
