

Yorkshire Synod

Briefing

Number 123

1st February 2024

February already!!

It is great to see that this issue of the Briefing has expanded. Quite often I have struggled to fill even a handful of pages, but this issue is looking like Yorkshire Synod's version of the Book of Isaiah..... Having said that, like the Book of Isaiah, the Briefing is full of wonderful things. From the events happening in the next week or two, especially the Quiet Day for Candlemas and Lectionary Planning sessions, to advance notice of things happening in September 2024 such as the Westminster College Course and the Heritage Open Days, the Briefing is here to tell you that there are lots of activities planned over the next few months. In between there's lots going on, we have coffee in Leeds and Forums in the four corners of the county. Not only that, there is the opportunity to explore your own call, and if you head towards the national URC site at [Latest news - United Reformed Church](#) you can see what is happening elsewhere in the denomination and how you can connect with the national activities. Lots to do, probably not enough time to do it all in, but worth while trying for the Kingdom's sake.

As ever I am looking for lots of volunteers to help in the smooth running of the Synod. There are several of our committees in urgent need of new faces. Without the help of individuals from our churches, the well-oiled machine that is Synod will grind to a halt. Currently the Financial Resources Committee and the Property Committee are in desperate need of new people to help guide and manage the Synod's resources so that Synod can effectively support the Christian mission of the churches under its wing. Similarly, the Listed Buildings Advisory Committee is looking for an enthusiastic person to act as secretary so that the advice it can offer to those churches which have been listed is done so in a timely fashion. As with any appeal I make I am happy to talk through the role if you are called to serve and if you feel that you know somebody who may be interested, please let me know in the usual manner – via my e-mail or mobile or through the office in Morley.

Finally, the one thing I lack this time is what has been happening in your churches. Please let me have details of what is happening where you are. Tell me what you plan for 2024 so that I can help spread that news, especially what you are doing on the weeks during Lent and over Easter 2024.

Drop me a line at clerk@urcyorkshire.org.uk and I'll showcase it in the next edition, due out on Thursday 22nd February with a deadline of Wednesday 21st February 2024.

Thank you and God Bless,

Tim Crossley

Synod Clerk

Quiet day for Candlemas

The URC Spirituality group have organised a **Quiet Day for Candlemas** this coming Saturday, 3rd February. They are drawing together the last of Epiphany, Candlemas and the feast of St Brigid via Zoom, with contributions from Kathryn Price, Lesley Thompson and Mark Argent.

They will be linking the story of the Purification of Mary/presentation of Jesus (Luke 2.22-39) and the legends of the hospitality of St Brigid. People are invited to set aside the day, taking time to pray and reflect between the three sessions:

10.00: Kathryn Price

Introduction, linking the stories of the day, picking up themes of hospitality, hope and faithfulness.

13.00: Lesley Thompson

Stories of hospitality in Sheffield.

16.00: Mark Argent

Drawing together the themes of the day and facilitating an exploration as a group of where we've experienced God in the process of the day — for us together as a group in the sessions earlier in the day, and in prayer and free time between them. Where have the stories of the day intersected with our lives? What is God inviting us to hear? The session and the day will end with prayers led by Kathryn Price.

Please book via the URC Spirituality website: <https://urc-spirituality.org.uk/>

Lay Preachers' and Worship Leader's lectionary planning zoom sessions

The Lay Preachers' and Worship Leaders' Planning Group are pleased to let you know that we are facilitating another of these sessions in February.

You are invited to Explore the lectionary readings together on Thursday 8th February. There will be two identical sessions, the first session being at **10.00am** with a second repeated session at **7.30pm**.

Facilitated by Anne Dale in the morning and Rod Morrison in the evening, this will be a time for participants to look together at the lectionary readings for 18th & 25th February and 3rd & 10th March in preparation for leading worship on those Sundays.

Please register your interest with Rod Morrison rodmorrison1946@btinternet.com by Friday 2nd February, indicating whether you will join in the morning or evening or if you are available for either, so if necessary we can balance the groups so both sessions are viable.

Both events will be held on Zoom and the link for the sessions will be sent on Monday 5th February to all who register.

Visitors to the Bridge Church, Otley, will be able to see a full-sized replica of the world-famous Shroud of Turin as part of a fascinating exhibition which will be on display in the sanctuary from Friday 16th February to Friday 1st March.

The actual Shroud is housed in the cathedral in the Italian city of Turin and is a length of linen cloth that bears a faint image of the front and back of a man. It has been venerated for centuries, especially by members of the Catholic Church, as the actual burial shroud used to wrap the body of Jesus of Nazareth after his crucifixion, and upon which his bodily image is miraculously imprinted.

As well as a full-

sized replica of the Shroud of Turin, the exhibition will also feature other fascinating displays and detailed information boards, which cover evidence revealed by historical and scientific research, explaining how the Shroud's image and bloodstains align with Gospel accounts.

Minister at the Bridge Church, Rev Jason McCullagh, said 'we are thrilled to be hosting this incredible exhibition in the Bridge Church, and we hope that it will be visited by many people over the fortnight. For more information of other activities at the Bridge Church, please visit [Otley Bridge Church](#).

On Sunday 18th February all young adults are invited to come together for a time of scripture study, prayer and friendship. We will meet at 200 Degrees Coffee Shop on Bond Street in Leeds in their private meeting room.

For some time now, the young adults across the Yorkshire Synod have been meeting each month, in different locations, to share and to be together. All of those who gather are either not regularly attending a local church, or they are the only one in their age bracket attending the church. So being together is important.

At the Sabbath Gathering, Rev. Jason McCullagh, will lead the reading, study and prayer through scripture. We are excited to see what God will reveal in our thinking and discussions together. If you are aged 17+ (there is no upper age limit to the Young Adult events, please come along if you feel this is the place for you) and interested in meeting with others, please get in touch. All members and friends of the Yorkshire Synod churches are invited to join us in faith-shaped conversation about the life and mission of the local church.

Please bring a packed lunch. Coffee, tea and cakes or pastries provided

Building on the success of last year's Synod Forums as opportunities for fellowship and good conversation, we will be meeting again in four different locations around Yorkshire Synod in May, June and July. You are free to choose the date and venue that is best for you. All will run from 10.30am – 1pm. You are encouraged to stay to share a bring-your-own lunch.

As last year, the conversation will be based around Paul's first letter to the Corinthians. It will be mostly in small group discussions, so you get chance to share with people from other churches. We will

picking up on some of the themes in the URC's Theos report (<https://www.theosthinktank.co.uk/cmsfiles/URC-report-Final.pdf>), and will be asking Where do we see flourishing in Yorkshire Synod? (And what might be the barriers to flourishing?)

We hope that this will also be a chance for those with Synod roles to hear from the local church about your opportunities and challenges so that together we can find the best ways to support and encourage each other. The Synod Forum is your place to have your voice heard, and to help shape the priorities of the Synod.

Helping Yorkshire's Historic Churches & Chapels

Good news! Funding available for Yorkshire's Churches

The Yorkshire Historic Churches Trust is welcoming funding applications from places of worship across the county for repair, restoration and maintenance work. Due to the generous donations and legacies received last year, the Trust is actively encouraging churches to apply for the next round of funding.

The application deadlines for 2024 are Friday 8 March for consideration at the April grants committee and Friday 23 August for consideration at the October grants committee. For guidance and how to apply please go to: www.yhct.org.uk/grants.

In summary:

What you can apply for: Grants are available for repairs to the church fabric, the walls, roofs, floors, tower, bell frames, windows, stonework, repointing and rainwater goods. Grants are also available for the conservation of fixture and fittings, such as monuments, furniture and stained glass and repairs to bells, clocks and organs.

Applications are also welcome for investigatory work, e.g. where a cherry picker may be required to assess what repairs may be required. You can apply for this type of grant at any time of the year. Do contact Jonathan Stamp by email at grants@yhct.org.uk if you would like to discuss this.

The YHCT have no set funding amounts, but common grants range from £2000 - £10,000, depending on the size of the works. The Grant Committee looks at how much the total project is and how much effort has gone into fund raising locally, and which other funders have been approached or confirmed their grants. The YHCT ideally likes to be able to help a church or chapel who have neared the end of their fund raising and only have a shortfall of say £10 - £15,000 to be able to start their project.

It is also inviting individual churches and chapels to become 'Church Members' and to support the Trust by opening churches on Yorkshire Churches Day on 14 September 2024 or taking part in the Ride and Stride sponsored event. All this is found on the trust website <https://www.yhct.org.uk/yorkshire-churches-day/>

We look forward to hearing from you.

SKIRCOAT REPAIR CAFÉ

Emulating the current popular television programme, *The Repair Shop*, Heath URC in Halifax as part of the South Halifax Churches Together, have been instrumental in the starting of the Skircoat Repair Café.

The team behind it comprises folk from each of the local churches in Skircoat – Heath URC, St Andrew's Methodist, All Saints C of E and St Mark's C of E - as well as a local Halifax councillor, an administrator of the community Facebook page and a local 'fixer' who fixes for the Huddersfield Repair Café who

has brought his knowledge experience and some fixers. Members of the churches provide the catering and front of house volunteers. It has caught the eye of the local media, in particular the *Halifax Courier* <https://www.halifaxcourier.co.uk/news/people/the-repair-shop-make-do-and-mend-enthusiasts-inspired-by-hit-tv-show-bringing-new-life-to-loved-household-items-all-over-calderdale-4490167>

and BBC Radio Leeds, which you can listen to here if you are reading this on a digital device

https://drive.google.com/file/d/19CdGj9uleMMS_hywf9wXyIG0ZBJImxND/view?usp=sharing

This past Saturday – 20th January - went very well, with over 30 items being brought into be fixed. Over half of these items were repaired on the spot, other things taken away for fixing off site, and advice given on others. The room was buzzing, with many more coming for the coffee and amazing donated cakes, as well as to see what is going on. We may even have recruited some more fixers by chatting to the curious.

This will, of course, take is one step further on our journey to a Gold Eco Church award, with that applying to All Saints too.

A dozen folks from Yorkshire Synod attended the **URC Youth Assembly 2024**, which was held at Whitemoor Lakes in Staffordshire from 27th to 29th January. The Assembly marked the start of Children's and Youth Work's year of *'Love Is...'* and featured a lively weekend of worship, discussion, fellowship, music, exploring how we love God, our neighbour and ourselves in ways that make a difference.

Daniel Raddings, Yorkshire Synod Youth Rep, was quite heavily involved and gave a presentation on the Gender and Sexual Identity Discrimination Task Group of which he is a member.
