

# Leading Your Church into Growth

## Synod Evangelist-Ashley Evans invites you to Yorkshire's LYCiG Day 20<sup>th</sup> April 2024, 10am - 3pm.

Last November we had our latest LYCiG conference for the five Northern Synods in Preston. It was a great success.

I would like to invite you and your friends from your church or group of churches to come to our follow up day.

### We will be at The Bridge Church, Otley, on April 20<sup>th</sup> 2024, from 10 am - 3pm

You are most welcome to join us, it will be a fabulous day together, looking at some of the principles of church growth and sharing together what 'works' and how things are going.

Coffee & tea will be provided. Please bring your own lunch or take advantage of the excellent, nearby bakeries, butchers, sandwich/cafes or fish & chips.

If you could RSVP with numbers that would be most helpful.

Yours in Christ
